IDEA INSIGHTS

Description:

The event is structured as a presentation where participants will deliver their innovative ideas in a clear, concise manner. Each team will consist of a minimum of 1 or a maximum of 2 members. Presenters are expected to cover five slides, and the total presentation time is limited to 5 minutes.

Slide Structure:

1. **Slide 1: Idea Title and Team Members**
 - Title of your project/idea.
 - Names of all team members involved in the project.
2. **Slide 2: Problem Statement and Proposed Solution**
 - Clearly define the problem you aim to address.
 - Describe your proposed solution in detail, focusing on how it directly addresses the problem.
3. **Slide 3 and 4: Technology & Uniqueness of Your Idea**
 - List the key technologies, tools, or frameworks that you will utilize.
 - Highlight what makes your idea unique compared to existing solutions or approaches and provide a real time example.
4. **Slide 5: Impact & Benefits or Advantages of Your Idea**
 - Discuss the potential positive impacts of your solution.
 - Emphasize the benefits or advantages your idea brings to the target audience, users, or society.
5. **Slide 6: Conclusion and Future Works**
 - Summarize the key points of your presentation.
 - Mention any future work or plans to further develop or expand your idea.
 -

Each team will be allotted **6 minutes** to explain all the slides, and the focus should be on delivering a clear and persuasive argument while adhering to the time constraint. There is only one round guys, so prepare well.
